Carlin began training and handling dogs in 1976. She started her own career as a breeder/owner/handler with Golden Retrievers and made a splash when she hit the rings with her beautiful multi-BISS winning Holly, Am/Can SH Carlin Happy Holidays BIS BISS OD SDHF. She has now turned her focus to smaller dogs and is breeding and showing the Chinese Crested.

In the 1980's Carlin began instructing obedience, conformation handling and field for both her local kennel club and one on one. More recently she has redesigned a building on her property to accommodate entire groups of handling classes. She is considered to be one of the best in the field for her ability to take dogs with issues and turn them into true show dogs. Carlin has shown and finished dogs from every group including numerous BIS, group wins and group placements. Her most recent notable is the 2008 #1 Pug, Boo, who started his career with Carlin and who achieved back to back BIS with Carlin handling.

Carlin continues to handle professionally for clients on a limited basis and has worked as a Specialty Judge in the Sporting, Toy and Hound Groups with additional assignments in the future.

Clinic topics will include, but are not limited to: Pro vs You, show equipment, moving, commands, putting it all together, homework, training, stacking, tricks and confidence.
